Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The referenced application is now under a Notice of Allowance. During applicants' post-allowance audit of the file, we have discovered that applicants have not received an acknowledgement of the Information Disclosure Statement filed on September 10, 2001. As a result, applicants do not have any record confirming that the Information Disclosure Statement was received by the Examiner and that the cited references were considered. During a telephone conversation with Examiner Kifle of March 17, 2004, he confirmed that the IDS had been received and considered, and agreed to provide applicants with an Examiner-initialed copy of that PTO-1449 form, and suggested applicants file this Supplemental Communication to facilitate that acknowledgement. Accordingly, applicants hereby request that the U.S. Patent and Trademark Office provide an acknowledgement in the form of an Examiner-initialed copy of that Information Disclosure Statement at the earliest opportunity.

If the Examiner has any questions or comments regarding this request, applicants encourage the Examiner to contact their representative at the number provided below.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
